

THE MARK OF THE BEAST

By Dr. T. J. Toma, B.S., D.D.S.

On Tuesday, Nov. 27, 1962 there appeared in the Los Angeles Herald-Examiner on page 14 a picture of four men, smiling, happy and well satisfied with themselves. Mark these men well. They have just succeeded in installing International Communism and Political Zionism permanently in the Western Hemisphere. They have placed Cuba and its people under the iron heel of Communist Castro and guaranteed its existence as a Communist nation.

These men profess to represent the people of the entire world. They operate within the framework of the United Nations Organization. They have been placed above all sovereign governments and have never been subjected to the restraining voice and vote of the citizens of these governments. In all cases where the people have had an opportunity to express their judgement by secret ballot they have been rejected. These men represent Eastern European Communism, Atheistic Asia, Black Africa, and the nations of the Christian Western World.

In that order they are: **Anastas Mikoyan**, number two representative of Eastern Communism and its master, Political Zionism. He has just returned from spending 24 days with Castro and has now completed the work of placing the people of Cuba in bondage to Atheistic Communism. He is one of the most sinister characters in the world today. Of Khazar-Mongol extraction his is a program of destruction against Christian Western culture.

U Thant, acting Secretary-General of the United Nations and representative of Asia, Communist appeaser and agent of Asiatic Political Zionism. Spawned in the mass of Asiatic millions he rose to power in the United Nations Organization through the death of his predecessor, Dag Hammarskjold. With the disdain of an Oriental he looks, with eyes of hatred, on the Christian people of the western world.

Dr. Ralph Bunche, Negro, appointed envoy to Africa, member of many Communist-front organizations, once editor of a Communist-front publication and subservient agent of internationalism. With the tenacity of a termite he has pitted his fellow Negroes, one against the other, for the benefit of Communism and Zionism. As Under-Secretary of the United Nations he has destroyed the Christian Negro leadership of Katanga, and has made the Congo another Cuba. Given his way he will work his will upon his own people, in the same way in the Republic of the United States. His job is to destroy the Christian American Negro and place him under the atheistic rule of Zionism. An insidious character, his record smells foul to an honest American nose. A Judas Goat he seeks to lead the American sheep into the Communist fold.

Adlai Stevenson, U. S. Envoy to the United Nations. Twice rejected by the American citizens in national elections, spurned by his own political party at its last national convention, he has nevertheless been appointed to this high office by the present administration. Adlai Stevenson was projected into the national lime-light and became the darling of left-wing and Communist-Front organizations, when he appeared as a character witness for Alger Hiss, convicted liar and perjuror, and considered, by many people, this nation's number one traitor. The impact of Stevenson and his ilk upon our foreign affairs has resulted in the destruction of the Monroe Doctrine, the emasculation of our sovereignty, and the deterioration of our security. Stevenson, a weak character, is completely dominated by the internationalists. He was, as late as Jan. 4, 1963, characterized by one of this nation's great editorial writers, as "A faker of the purest persuasion." He is, in other words, a

shadow boxer and window dressing for his masters, the political Zionists, who seek to dominate all mankind for their own benefit. A political failure, he seeks the spotlight of world affairs to satisfy his own ego. Given future tenure of office in this appointive position, he will destroy our Constitutional, Christian Republic.

These then are the four men who appear upon this photo. They are the front personalities who have been appointed to deprive the citizens of the Christian Republic of the United States of their sovereign rights. They bear upon their brow the mark of Moscow. Given their way, they will take away from the American Citizens their power of the sword and their power of the purse and all that that power implies and signifies. Theirs is a program of destruction. They must destroy the Western Christian Nations in order that Communism and Zionism may enslave the world. These men are your enemies. They represent a one-world, super government, diametrically opposed to the principles of American freedom, its Constitution and its written laws. They represent a crafty, criminal conspiracy based on fraud, dishonesty and deceit.

The facts that now confront us are plain to be seen. We are to all intents and purposes a nation overthrown. We are a people in bondage. We are in the hands of our enemies. They have almost destroyed our Republic as we have known it. The Constitution of this Republic and its written laws are being by-passed and to a large extent superceded by a one-world government whose existence was brought into being by International Communism and Political Zionism under their front man, Alger Hiss, who was its first Secretary-General. The continuation of this United Nations, with its appointive officials, will destroy our Republic. To place your political and governmental affairs in the hands of this organization will result in the fulfillment of that dream which Alger Hiss, liar, perjuror and traitor, with his fellow conspirators, brought to fruition at Dumbarton Oaks and San Francisco in 1945. The twin evils of the twentieth century, International Communism and Political Zionism, by stealth and insidious encroachments seek to destroy you from within. They have almost accomplished their objectives. Morally, they have already made you bribe givers to communist blackmailers.

The time has come for American Citizens to rise in their wrath and nullify the activities of this destructive organization. Like John the Baptist we must put our axe to the root of this evil. If the present administration continues to tolerate the United Nations with its attempted destruction of our Republic, it will have to face the ire of an outraged citizenry. And the wrath of a God fearing, Christian, free and mighty people, against tyrants and traitors can be terrible and swift. The destiny of this Republic hangs in the balance. The time for action is now. Let us therefore attend to the business of preserving our Christian Republic for the benefit of our posterity.

Are You An Antisemite?

—o— Continued from page 2 —o—

WORLD FEDERALISM, ATLANTIC UNION, all destroyers of patriotism through wars, revolutions, and slavery, — You are an antisemite.

IF you dare attack the power and tyranny of the Labor Union Bosses, — You are an antisemite.

IF you denounce the control exercised over the F.B.I. by the Anti-Defamation League, the persecution of loyal Christian patriots contrasted with the protection and immunity granted to spies and Communists of all kinds in the U. S. — You are an antisemite.

IF you condemn treason and "turn your back" on traitors of the Alger Hiss variety and other followers of Judas Iscariot, — You are an antisemite.

IF you speak of and denounce the "Invisible and Secret Government" in the United States as exposed in Congress and the Press, — You are an antisemite.

IF you oppose the butchery of young boys in Korea and elsewhere to impose upon peoples the rules of the international United Nations under the U.N. international flag, — You are an antisemite.

IF you dare oppose the tyranny and despotism of International Finance as did Father Coughlin, the late Congressman Louis T. McFadden, the late Senator Schall, — you are an antisemite.

IF you believe that the revelations made by Disraeli in his book *Coningsby* on world control by Jewish power are sustained by historical facts, — You are an antisemite.

IF you believe that the diabolical, Machiavellian plans of statesmanship formulated in the Protocols of the Elders of Zion are being gradually applied for the attainment of world domination, — You are an antisemite.

Search your own heart and mind and give yourself the answers to the above questions in the glowing light of truth. Gird yourself with fearlessness and indomitable courage. Then, if to be a Christian patriotic American causes you to be stigmatized by the name "antisemite," be justly proud of this title which is not a term of odium but has now become the trade mark of fearless Christian American Patriotism opposed to Communist Internationalism.

If you can ignore the aspersions cast upon your character, your reputation in the columns of a controlled Press, if you calmly defy the Whispering drives started against you, if you can withstand persecution, smear, false accusations, even jail and torture such as the 33 Christian Patriots had to endure in the "SEDITION Case" of 1942 because they were accused of antisemitism, then be proud of being also called antisemites. This term applied to you is evidence that you are working loyally and faithfully in the service of your Christian Faith and Country.

Philip Francis, for years an editorial writer of great influence in America, and who had had for forty years an intimate connection with journalism, writes: "With a few honourable exceptions, the big papers and magazines of the United States are the most ignorant and gullible, as well as the most cowardly and controlled Press, printed in any Country in the world. The majority of the owners are mere financiers, who look upon their magazines and newspapers simply as money-making mills, and who, whenever it is a question between more coin and good, honest, patriotic, public service, will take the coin every time. (**THE POISON IN AMERICA'S CUP**, p. 31)."
